

# Immediate Implantation with simultaneous Guided Bone Regeneration in the Anterior Zone

## Learning Objectives :

This training is intended for clinicians with knowledge in implant placement who want to understand and learn immediate implantation in the anterior maxilla, simultaneously to bone and soft tissue augmentation.

## Dates :

April 8<sup>th</sup> – 9<sup>th</sup>, 2016.

## Location :

Institut Européen du Visage (European Face Institute)  
5 rue Suger  
75006 Paris  
FRANCE

## Language :

English/French

## Speaker : Dr Anne BENHAMOU

- Single Tooth Implant in the Anterior Zone
  - Indication for Immediate Implant Placement (IIP)
  - Guided Bone Regeneration at IIP
  - Socket healing and ridge preservation and delayed implant placement
  - Achieving successful esthetics after tooth extraction and implant placement in the anterior maxilla
- Bone regeneration technics using grafting material and membranes
  - in the anterior zone
  - in sinus lift procedures
  - in peri-implantitis treatment

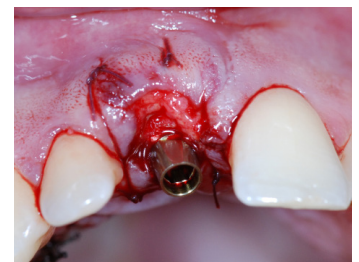

## Program

### Day 1: 9.00 am to 6.00 pm

- Esthetics in the anterior zone: rules and protocols
- Immediate implant placement
- Delayed implant placement
- Using Guided Bone Regeneration (GBR) procedures to optimize the esthetic outcome at Immediate Implant Placement (IIP)
- Soft tissue management in combination with simultaneous GBR procedure
- Workshop on plastic jaw models with the use of biomaterials and membrane at implant placement

### Day 2: 9.00 am to 12.30 am

- Workshop on pig jaws with use of biomaterials and membrane at implant placement
- Live surgery on patient(s) demonstrating implant placement together with biomaterials and membrane protocols

**Duration:** 1.5 days  
**Participants:** Minimum: 8 - Maximum: 12  
**Price:** € 990\*  
**Includes:** Materials and equipment, certificate, coffee breaks and 1 lunch. (Contact us for support with flight & hotels arrangements)

\* Exempt from VAT, according to paragraphs 6 and 7 of Article 261, 4-4 of the General Tax Code.

# Conditions of Registration

## 1. CONDITIONS OF CANCELLATION

### a. Cancellation by the company

The DENTSPLY IH SAS reserves the right to cancel any training, no later than one month before the date, for which the minimum number of participants is not reached. Each registered participant \* will be contacted by call or email one month before the date of each training, Ms. Pascale Millet confirming him/her or invalidate the realization of the training.  
DENTSPLY IH reserves the right to cancel a course in the event of too few participants. The fee will be refunded in full.

### b. Cancellation by the practitioner

The withdrawal must be done in writing.

Cancellation made six to four weeks prior to course start: 75% of the course fee will be refunded.

Cancellation made four to two weeks prior to course start: 50% of the course fee will be refunded.

Cancellation made later than two weeks prior to course start: No refund.

## 2. PRICE OF THE TRAINING

Price: € 990 (materials and equipment, coffee breaks and one lunch included)

## 3. RULES AND PROCEDURES FOR REGISTRATION

- The payment is charged at the time of registration.

**\*Registered participant : present form properly filed + payment received.**

# Registration form for training courses

Thank you of writing in capital letters

Title: \_\_\_\_\_

Telephone: \_\_\_\_\_

Name : \_\_\_\_\_

Fax : \_\_\_\_\_

Practice / Hospital: \_\_\_\_\_

Email Address: \_\_\_\_\_

Address : \_\_\_\_\_  
\_\_\_\_\_

Billing address (if different): \_\_\_\_\_  
\_\_\_\_\_

I wish to participate in the training "Immediate Implantation & simultaneous Guided Bone Regeneration " to the following date:

8th and 9th April 2016

I have read and accept the registration conditions and return the present file to adress below

### Payment

By check: Attention DENTSPLY IH \_\_\_\_\_

Name on account: \_\_\_\_\_

Check and wire transfer n° \_\_\_\_\_
